A Short History of River City Rifle & Pistol Club

The River City Rifle and Pistol Club (RCR&PC) was incorporated in 1968 in Mason City, Iowa, as a nonprofit organization to promote civilian marksmanship, proper gun safety, competitive spirit, conservation of natural resources and to provide a safe and proper place to shoot (RCR&PC by-laws article II). Membership in the RCR&PC is open to any citizen of the United States. All members are required to be current members of the National Rifle Association (RCR&PC by-laws article III).

The River City Rifle and Pistol Club have members from a broad spectrum of occupations in our communities. Members includes families, men, women, and youth who reside in several local counties not limited to Winnebago, Mitchell, Cerro Gordo, Franklin, and Worth counties. Since the club's beginning the RCR&PC has used an outdoor shooting range that is near the Winnebago River in northern Cerro Gordo County. Thirty years ago the Lehigh Portland Cement Company purchased the property for their then future mining of limestone. During the 1990s Lehigh suggested River City Rifle & Pistol Club move our outdoor shooting facility to another location due to quarry expansion.

River City Rifle and Pistol Club purchased 40 acres in the spring of 2003 at the southeast corner of Jonquil and B20. This property was functional as a shooting range the spring of 2005. All features of the range will be completed as time, money and volunteer labor are available. The goal of the new range is to be a facility that will suit our present membership activities with room for modification that will conform to our future shooting needs. The club will also continue its conservation policies on River City Rifle & Pistol Club property, which has been in force since the original range was founded. Many wildlife species use our shooting ranges as habitat. Though sounding odd, the two do co-exist and even flourish.

January of 2004 River City Rifle & Pistol Club purchased an adjoining 80 acres directly east of our new location with intentions of using it as a shooting range buffer area along with promoting conservation on all non-fillable acres (approximately 19.5).

The Club hosts an annual two day gun show held at the North Iowa Fair Grounds or Iowa National Guard Armory in late February or early March. We have been hosting this gun show since 1982 with dealers coming from a four state area.

River City Rifle & Pistol Club holds public shoots throughout the spring, summer and fall. A trap shoot is open to the public every Monday night from 5PM till dusk. Numerous other matches such as NRA High Power, Running Deer and CMP Rim-fire Sporter are held through the spring, summer and fall months. 2008 marked the first year the club hosted the Iowa State High Power Rifle 300 Yard Championship, with it continuing in 2010 and beyond. 2010 the club hosted the Iowa Service Rifle state championship and 2011 the Mid Range and F Class championships. Varmint benchrest matches started in 2010 with three matches held per year.

The River City Rifle & Pistol Club promotes civilian marksmanship and gun safety. A junior program is in place to train youth in these areas. The Club owns Remington 521T .22LR, M1 Garand, and AR-15 rifles that are used in junior and adult shooting and safety programs.

River City Rifle & Pistol Club is proud to have worked with the community through the years in making our outdoor range available for their needs. Some of these include local law enforcement training by Cerro Gordo County Sheriffs Department, North Iowa Drug Task Force, Iowa Highway Patrol and Mason City Police Department, Boy Scout activities, and High School shooting sports activities.

Final major earth work, construction of shelters, 100-200 yard firing line cover, the remaining target pit construction, placement of the running game and planting of trees and other cover vegetation was finalized in 2007.

The club house was moved from the old range and renovation started in the late summer of 2008. With the donation of a sliding door and three windows in 2008. Electrical rough for the club house was completed late 2009. 2011 sheet rock was hung. Electricity was run to both the 50 yard range firing line and the 100/200 yard firing line. A yard light at the entry gate and one at the main parking lot were erected.

The cement slab under the four 100/200 yard benches was poured May of 2009. A new sign in/sign out structure was erected fall of 2009. Eight more benches and cover were started late fall of 2009 with completion June of 2010.

A well and water hydrant was dug and installed in July of 2011.

Our membership has been growing by a minimum of 10% per year the past six years, with 243 members in 2011.

RIVER CITY RIFLE & PISTOL CLUB
a 501C37 not for profit organization
P.O. BOX 847 MASON CITY IOWA 50401
Range address: 20935 Jonquil Ave., Clear Lake

ARTICLE I Name of the Club

The name of the Club shall be the RIVER CITY RIFLE & PISTOL CLUB.

ARTICLE II Purpose of the Club

The Club was incorporated in 1968 in Mason City, Iowa, as a nonprofit organization to promote civilian marksmanship, proper gun safety, competitive spirit, conservation of natural resources and to provide a safe and proper place to shoot.

ARTICLE III Membership

Membership in the River City Rifle and Pistol Club shall be open to any citizen of the United States, who has been voted upon and accepted by a majority vote of the Club members present at a regular meeting, or by Executive Committee during months when there is no regular meeting scheduled. All members are required to be current members of the National Rifle Association.

ARTICLE IV Meetings

Meetings of the River City Rifle and Pistol Club shall be scheduled for the first Thursday of each month, except for June, July, and August, which shall be the time for outdoor range activities.

ARTICLE V Dues

The Club dues structure shall be revised and set for the ensuing year at the regularly scheduled meeting in November each year. Additional assessments shall be levied as deemed appropriate by the Executive Committee and upon approval by a majority vote of the members present at the November meeting. (An example would be the Club's key fee.) All dues and fees shall be due January 1st of each year.

ARTICLE VI Junior Club Memberships

Junior membership in the Club shall be determined by a majority vote of the members present at a regularly scheduled meeting as based upon recommendations of the executive committee. Any dues assessment for junior members shall be set at the November meeting.

ARTICLE VII Officers and Directors

Club leadership shall include a President, Vice-President, Secretary, Treasurer, Range Officer, Executive Officer, and a four-member Board of Directors. Said Officers and Directors shall be nominated and voted upon at the regular meeting in December and take office January 1st each year. Terms of office shall be as follows:

Officers: The President, Treasurer, and Executive Officer shall be elected to take office January 1st of odd-numbered years.

The Vice-President, Secretary, and Range Officer shall be elected to take office January 1st of even-numbered years.

Directors: Two of the four Directors shall be elected each year for two year terms. Any member of the Club whose dues are paid up shall be eligible to hold office in the Club or to serve on the Board of Directors. Non-payment of dues shall automatically terminate a position in office. A special election shall be held at a regularly scheduled meeting to fill vacancies.

ARTICLE VIII Executive Committee

The Executive Committee shall consist of the President, Vice-President, Secretary, Treasurer, Executive Officer, Range Officer, and four members on the Board of Directors. Said Committee shall be empowered to transact business for the Club during months when no regular meeting is scheduled. Five committee members shall constitute a Quorum for business purposes. Meetings shall be subject to call by the President or three members of the Committee. The President shall preside over the Executive Committee meetings.

ARTICLE IX Payment of Club Bills

Request for payment of outstanding debts incurred by and for the Club shall be presented to Club Treasurer with invoices attached. Bills approved for payment shall be paid by Club check signed by the Treasurer or the President in the absence of the Treasurer.

ARTICLE X Changing Club By-laws

All Proposed changes in the Club by-laws shall be presented in writing to the members present at a regularly scheduled meeting and voted on at the following regularly scheduled meeting.

ARTICLE XI Loss of Club Membership

Pending recommendations by the Executive Committee and a majority vote of the members present at any regularly scheduled meeting of the Club, the following are considered valid reasons for terminating membership in the Club:

- (1) Misconduct in either the indoor or outdoor range.
- (2) Shooting in an unsafe direction or manner.
- (3) Any behavior which is considered endangering the lives of others at the range.
- (4) Loaning a range key to a non-member.
- (5) Duplicating or having duplicated, a range key.
- (6) Failure to follow courteous driving habits when approaching the outdoor range or while on the range property
- (7) For violating other Club rules as deemed appropriate by Executive Committee and voted upon by the membership at a regularly scheduled meeting of the Club.

ARTICLE XII Use of Club Range

All Club ranges shall be kept locked when not open for shooting events where the public is invited. All current members shall be issued a range key annually upon payment of the predetermined fee. A new key and lock shall be used beginning January 1st each year at both ranges.

ARTICLE XIII Donations

Before Club funds or property can be spent or given away for any purpose other than those directly related to Club activities, two conditions must be met:

1. All club members (excluding junior members) shall be notified by ordinary U.S. mail or by Internet e-mail at least three days prior to the meeting at which the expenditure is to be considered for approval. Notice is complete when mailed or transmitted to a member's last known address.
2. Approval of such expenditures will require a 4/5ths majority vote of members present at said meeting.

Club bylaws last updated October 2003 and reviewed December 2010.

What and Why We Shoot

River City Rifle & Pistol Club's mission is to provide a safe and proper recreational shooting range within the community, promote proper firearm safety, competitive spirit, civilian marksmanship and conservation of our natural resources through land management at our range facility.

How Does River City Rifle & Pistol Club Benefit the Community

This list shows the continuing networking that the River City Rifle & Pistol Club does to meet its mission listed above.

Open to the public-- Monday night trap shooting, Varmint Benchrest, High Power Rifle Matches, NRA Women On Target and host to various shooting events including Civilian Marksmanship Program Rim-fire Sporter, NRA Basic Pistol Training and Running Deer shoots.

The club's spring gun show brings many firearm dealers and shooting enthusiasts to the North Iowa Fairgrounds or Iowa National Guard Armory every March. We average well over one hundred tables of firearms and firearm related items and well over 1200 admissions.

Boy Scouts of America Firearm Safety Merit Badge qualification training and over night camp outs.

4-H shooting sports clubs' practice and competitions in shotgun, small-bore rifle, 22 rim fire rifle silhouette and air rifle events.

High school trap teams including Mason City Mohawks (state champions several years) and Northwood-Kensett Vikings (2011 state champions) trap teams.

Law Enforcement outdoor training—The RCR&P Club range facility has been utilized in the past by the Mason City Police Department, Cerro Gordo County Sheriff's Department and the nine county North Iowa Drug Task Force Team.

The United States Secret Service Department utilized the RCR&P club facility for training exercises when President Bill Clinton visited the North Iowa Area.

Economic impact—Shooting sports enthusiasts purchase food, clothing, gas, lodging, equipment and supplies while in the North Iowa Area.

The range can be made available to other Boy Scout troops, school shooting teams, 4-H shooting sports clubs and other shooting safety and education organizations.

The fifty and one hundred yard firing lines are handicapped accessible as are the porta potty and club house.

The Future of River City Rifle & Pistol Club

Also with a grant from the NRA the club house will be remodeled in spring and summer of 2012. An electric admissions gate will be installed the spring or summer of 2012.

In the next ten years River City Rifle & Pistol club has proposed to build an education and indoor shooting sports facility on the northwest corner on our range. This facility would enable year round use of both rim-fire and center-fire handguns, small-bore rifles, and air rifles. Training, education, and competitions will be highly promoted at this new indoor shooting sports facility in addition to use by the membership.

 - Eye protection – not only for the shooter but for your guest also
 - Ear protection – not only for the shooter but for your guest also
 - Clothes suitable for the type of shooting to be done
 - Mosquito and tick repellent
 - Drinking water during the hot months
 - Stapler – push pins – tape to fasten targets to target backer
 - Firearm maintenance tool kit
 - Firearm cleaning kit
 - Cell phone
 - Spotting scope or binoculars
- 300 yard warning gate
 - If the gate is shut you must stop and talk with the members using the 300 hundred-yard firing line.
 - If it is not a scheduled event using the 300 hundred-yard firing line then they must vacate the 300 yard firing line completely before the warning gate is opened.
 - Even if the 300 hundred yard warning gate is open visually inspect the 300 hundred-yard firing line for activity when entering the range.
 - Remember, no other range activities may take place while the 300 hundred-yard line has any uncased firearms on it!
 - What to do if you can not properly clear a firearm – contact person for club rifles (page #7)
 - Loaded firearms behind the firing line
- After firing your last shot
 - Final check of your firearm before casing for transport
 - Letting fellow shooters know you are finished shooting
 - One last look at your firing position to see what you may have forgotten and police all brass – **this includes 22 rim-fire, shotgun hulls and non-reloadable cases (Blazer and copper washed steel).**
 - Don't forget to sign out
- Have a good experience at the outdoor range
 - Firearm safety has to be the first ingredient to have a good experience at the outdoor range
 - The only way we can all have a good time at the outdoor range is if everyone takes care of themselves and picks up after themselves – the club has no paid janitorial service
 - Leave the range cleaner than you found it
 - Remember everyone must give a little when the range is busy – the comradely is worth it

I have read and understand all the information presented by the orientation team and understand that ignorance will not be an excuse for any undesirable and unsafe shooting activities.

NRA Gun Safety Rules

Three Fundamental Rules for Safe Gun Handling

1. Always keep the gun pointed in a safe direction.
2. Always keep your finger off the trigger until ready to shoot.
3. Always keep the gun unloaded* until ready to use.

Eight Rules for Using and Storing a Gun

1. Know your target and what is beyond.
2. Be sure the gun is safe to operate.
3. Know how to use your gun safely
4. Use only the correct ammunition for your gun.
5. Wear eye and ear protection as appropriate
6. Never use alcohol or drugs before or while shooting.
7. Store guns so they are not accessible to unauthorized persons.
8. Be aware that certain types of guns and many shooting activities require additional safety precautions.

* "Unloaded" means NO ammunition in the firearm what so ever.

RCR&P CLUB RANGE RULES

1. River City Rifle & Pistol Club rules exist for the safety and comfort of its members, guests, surrounding communities, environment, and to preserve RCR&PC as a facility for the safe use of firearms. **Any violation of the rules may result in cancellation of RCR&PC membership by the RCR&PC Executive Committee and rules committee.**
2. Club ID cards must be displayed on your person while on club property (including guests). Without an ID card displayed you may not use the outdoor range.
3. RCR&PC membership cards and the RCR&PC combination may not be used by anyone other than the club member to whom they were issued.
4. The entry gate to RCR&PC property is to be locked at all times. It will be locked when you arrive, locked behind you upon entry, and locked when you leave (unless open to the public).
5. All members and their guests must sign-in (full name) the daily register upon arrival and sign-out upon departure. The sign-in/out form will be located in the mailbox by the entrance. You will be asked to provide the date, your full name and time entering. Sign-out when leaving by filling in your departure time. (Non-member participants in scheduled "public" events will not be required to sign daily register.) By signing in to the range you and your guests acknowledge you and your guests have read and understand the waiver posted in the sign in/out book.
6. Guests, children and pets must be under the immediate supervision of a RCR&PC member at all times (this means within arms reach).
7. Range shooting hours are from sunrise to sunset, except for **Sundays and holidays** when the hours are from **8AM till sunset**.
8. All actions must be open, chambers empty and magazines removed or unloaded when firearms are uncased.

9. Only firearms that are on the firing line may be loaded and then only when the line is hot*. Firearms not on the firing line must have their actions open, magazines removed, safeties on, and if rules apply appropriate empty chamber indicator flags in place.
10. All actions must be open, chambers empty, empty chamber indicators inserted, where rules apply and magazines removed or unloaded before anyone goes down range. Firearms may NOT BE HANDLED FOR ANY REASON while personnel are down range.
11. Hearing and eye protection strongly recommended.
12. Absolutely no horseplay on the firing line.
13. All shooting will be on designated ranges only, using established berms and specific bullet impact areas (backstops). Don't shoot over berms – keep bullets in backstops.
14. Only RCR&PC authorized targets and target holders may be used on all ranges. Only specified target distances may be used on all ranges. Please ask the Range Officer if you are unsure of the suitability of a target.
15. The 300 yard firing line and 300 yard warning gate must be used according to policy set forth on page 18.
16. The **yellow painted line** under the fifty yard range cover **is the firing line**.
17. When the command "Cease Fire" is heard, all firearms shall be immediately unloaded and detachable magazines removed. The actions shall be fixed open, safeties on, and the firearms benched or grounded with the muzzles pointing downrange for the duration of the cease fire.
18. During a cease fire no firearms may be handled for any reason.
19. On ranges with shooting benches, no one may remain at the bench during a cease-fire.
20. After shooting, shooters must remove targets and target backers from the range, return backers to their designated storage areas, pick up empty ammo cases, and take your waste home. Clean up your litter. Please leave the range cleaner than you found it.
21. Alcoholic beverages are not permitted on RCR&PC property unless permission by the executive board is given, and then at that time only when the entire range is closed to shooting and all firearms are cased and stowed. Illegal substances and drugs are strictly prohibited!
22. Use of armor-piercing, explosive or tracer ammunition is prohibited on RCR&PC property.
23. Current range infrastructure does not safely accommodate the use of fully automatic firearms or 50 BMG and other high energy rounds.
24. The event coordinator may remove any shooter whose behavior is detrimental to the safe operation of the range.
25. Shooting at wildlife is strictly prohibited.
26. Report all accidents to a RCR&PC official within twenty-four hours.
27. When using the 7 yard firing line on the fifty yard range all firing must be done from the standing position behind the bench.
28. Violation of these or other common sense rules will result in loss membership.

* "HOT" means all people and property are in a safe position behind the firing line and all people are informed that shooting is about to commence.

INDOOR RANGE SAFETY AND COURTESY RULES

1. Actions should be open at all times behind the firing line. No dry firing except when at a firing point and at a target downrange.
2. Do not put your finger in the trigger guard until the firearm is pointed towards the backstop.
3. Low powered target loads only - we don't need the sound or concussion, **no jacketed bullets.**
4. Don't hog a firing point - Thirty minutes on the firing line shooting is enough - if someone is waiting step back and wait for another point to open up.
5. Don't police brass from below your neighbor's feet or table. The firing line should be made safe before policing of any brass.
6. Respect your neighbor - When retrieving targets or running them out wait for your neighbors to finish their shooting string.
7. Ear and eye protection is highly recommended.
8. Be sure to use used 22 caliber targets for center-fire practice - 22 caliber targets with more than ten shots on them should be thrown away and not reused.
9. All refuse must be disposed of in the proper barrel – If you are unsure which contact the range master.
10. A current Club ID badge must be worn or visible when using the indoor range- you must be a current club member in order to use the indoor shooting facility.
11. You must sign in before any shooting is started – The range officer will have a sign in sheet available.

Trap Range Safety and Conduct Rules

1. Make all guns safe:
 - Keep all actions open or broken.
 - Keep muzzles pointed at the ground or up in the air.
 - Do not shoulder guns except on the trap field.
 - Hearing and eye protection are mandatory.
2. Shot larger than 7 1/2 or gauges larger than 12 are prohibited.
3. Shotgun sighting in and patterning are allowed only with the permission of a range officer and only in designated areas.
4. All shooting games, competitions, and rounds must take place within the designated limits of the trap fields.
5. Shotguns are to be loaded only on station. Guns must be unloaded before leaving the station.
6. When an event coordinator is in a trap house and when the red warning flag is raised, shooters on the fields must not handle firearms.
7. Only shooters participating in a round and authorized personnel are permitted on the fields.
8. Trap squads shall consist of no more than five shooters.
9. Children, guests and pets must not be left unattended.
10. Only event coordinators are permitted in the trap houses and in the observation chairs. Only event coordinators may handle electrical pull cords and pull rounds. Only event coordinators may load and perform maintenance on skeet and trap machines.

Sampling of Club Policy

October 2011 - A yellow ID card will be used to identify Probationary Member (must be escorted by his sponsor). An orange ID card will identify a Junior and Associate member (no guests and no voice in the club his first year).

May 2011 - A seven yard line was established on the north end of the fifty yard range. With the long distance to the impact area it is absolutely necessary to shoot from the standing position exactly perpendicular to a target place in the club provided holder. Failure to do this could result in a projectile leaving our shooting range.

November 2010 - A \$40 initiation fee for new members is starting in 2011. Membership dues will be \$85.

1. A due date for club membership renewals of March's general membership meeting or club sponsored gun show (which ever one comes last) was passed. If a member does not renew by March's general membership meeting, or club gun show, he or she will be considered a new member and will have to meet all new prospective members' responsibilities.
2. With this there will be room for a number of new memberships prior to the cutoff date of March's meeting with all prospective new members above that number being put on a waiting list. As of the March meeting's date or gun show new prospective members from the list will be advised that an opening for membership has come up and he or she will have a set time limit to meet the responsibilities of a new member. New members will be accepted until the cap has been met. Then all new prospective members will again be put on a list for the next possible vacancy.
3. The club policy will be new members will need to have a sponsor. The new member will need an established club member in good standing with the club to sponsor him or her and go thru the orientation process. At the end of the orientation process with the approval of the executive board and the sponsor he or she will become an associate member with the combination to the entrance gate. The deadline for this is May's meeting. An associate member will have no voice or vote for his first calendar year of membership. Also in that first year they will not be permitted to bring any guests to the outdoor range. If they are called before the rules committee for any reason that first year their sponsor will have to attend those committee meetings also.
4. Also there will be a Club Service Program for all members starting in 2011. This will consist of three hours per year. If a member does not satisfy his commitment of three hours he will be charged ten dollars per hour when he renews his or her membership for 2012.

There will be many ways of satisfying the club service hours:

- The club's yearly gun show – gun check-in, kitchen responsibilities, club table, admissions, set up and take down and clean up.
- Spring clean-up week ends
- Helping out at an organized shoot or match.
- Attending two general membership meetings will equal no more than one service hour
- Host a program at a general membership meeting
- Host a shooting match
- New member orientations
- Mowing and trimming
- Serve and work on the executive board
- Participate in a club sanctioned match. More than one match still equals just one service hour
- Successfully sponsor a new member

November 2010 - The October, November and December prorated new membership policy was cancelled effective November's general membership meeting.

February 2010 – There is to be no burning of club generated waste (paper targets, target backers, paper, cardboard or plastic – etc.) Leaves, limbs and grass clippings can still be burnt in the proper container.

2009 RULES POLICY UPDATE - Enforcement of RCR&P Club Bylaws and Range Safety Rules

Rules Committee comprised of the following will investigate rules infractions: Chairman: President or Vice President or Executive Officer or Range Officer (To be determined) and executive board. Any RCR&P Club member in good standing may lodge a formal complaint by doing so in writing to the "Rules Committee Chairperson, C/O River City Rifle & Pistol Club, PO Box 847, Mason City, Iowa 50402-0847 or presented to the Chairperson at a Executive board or General Membership meeting.

The rules committee chairperson will then call a meeting of the rules committee to determine the gravity of the alleged activity. The rules committee will then decide to call a hearing or send a letter of warning. This letter would consist of the alleged infraction remedy to the infraction and the accused right to ask for a hearing with the rules committee. A hearing would include a review of the club's SOP by the committee with the accused. After considering all sides of the conduct the rules committee may at its discretion enforce the following punitive actions:

Dismiss charges.

Reprimand. The Rules Committee may reprimand the member for minor offenses, which can include but not be limited to verbal reprimand, written reprimand, restitution, or club service, or any combination of the above.

Suspension. For offenses of a more serious nature the Rules Committee may suspend membership privileges for any length of time remaining in the current membership year or into the following years.

Termination. For an offense involving acting in an unsafe, hazardous, or otherwise dangerous manner with a firearm or causing to happen by action or negligence a firearms related accident, the Rules Committee may recommend termination of the offending members club privileges. This recommendation will be presented to the general membership at the next regular organizational meeting. An affirmative vote of two-thirds (2/3) majority of the voting members present shall be required to enforce the recommendations of the Rules Committee.

If a suspended or terminated member is caught on site using the range criminal trespass charges will be filled

In addition to any of the above enforcements the Rules Committee Chairman or an Exec. Board member acting in his absence may turn all evidence accumulated in the above incident over to the proper law enforcement authorities for prosecution. If convicted the ex-member would not be allowed to appeal his membership, he or she would be banned indefinitely from the River City Rifle & Pistol Club.

Any member charged with a violation shall be given written notice of time/date of hearing at least (7) days prior to that hearing. Any such member shall have the right to be present at said hearing for the purposes of defense.

If a rules committee member is the accuser then that member must dismiss themselves from being part of the rules committee in that case.

Any member affected by reprimand or suspension shall have (30) days to appeal the Rules Committee's decision. Written notice of appeal shall be presented to the Rules Committee Chairperson. The Rules Committee shall present the matter to the voting membership at the next regular organizational meeting. An affirmative vote of two-thirds (2/3) majority of the voting members present shall be required to sustain the actions of the Rules Committee.

Any member affected by termination may apply for re-instatement of membership one (1) year from date of termination. This re-instatement is dependent upon Executive Committee approval. If the Executive Committee is satisfied that the member no longer poses a disciplinary concern to RCR&P Club, the request for re-instatement will be presented to the general membership at a regular organizational meeting. An affirmative vote of two-thirds (2/3) majority of voting members present at the regular organizational meeting shall be required to re-instate membership status. In cases of suspension and termination, club dues previously paid and voting status are forfeited. Member may not attend regular organizational meetings; other than to facilitate appeal, or be allowed access to club property.

Sept. 2009 Clarification of Placement of authorized targets: Events using targets placed in locations other than the provided target holders need to have their placement and coarse of fire approved by the executive board.

Dec. 2006 – Cost of supplying renewing members with a replacement copy of the SOP will be \$3.00. A renewing member will not be able to receive his ID card and key without presenting a copy of the SOP with all current updates.

Sept 2005 - *Authorized Targets and Placement* - The spirit of these policies is to help ensure safety and management of our environmental stewardship of the range. All bullets that we shoot must be trapped by our earthen backstops. This gives the best measure of safety both off-site and on-site and consolidates our lead deposits. Use of the proper target frame for the distance, discipline and position with a target that allows the bullet to pass through gives the correct trajectory to make sure that our bullets are trapped by our earthen backstops.

1. Paper targets attached to the 24"X32" club supplied backers (or similar) and used in a target frame built for that distance, discipline and position.
2. Paper targets attached to the 4'X4' club supplied backers (or similar) and used in a target frame built for that distance, discipline and position.
3. Self Healing Ballistic Polymer – mounted on dowels in a target frame built for that distance, discipline and position.
4. Clay targets are to be used in a manner to deposit broken targets onto the trap field only. Hand thrown clay targets are allowed and encouraged. This keeps all of the material associated with this discipline consolidated and manageable.
5. No ground mounted target materials are allowed to eliminate the probability of bullets not hitting the earthen backstop.

Target Authorization Procedure - A request for target authorization is to be brought before the Board. This request should contain details about the targets, the manner in which they will be shot and how they fit into the safety capabilities and environmental capacities of our range. The request will be granted after the board decides it meets the above parameters.

2005 JUNIOR MEMBERSHIP - Junior membership in the Club shall be determined by a majority vote of the members present at a regularly scheduled meeting as based upon recommendations of the executive Committee. Any dues assessment for junior members shall be set at the November meeting. Junior membership is anyone under 18 years of age. 16 and 17 year old juniors could apply for an adult membership and receive a key if a parent signs a responsibility form.

Aug. 2005 – Guest Policy

1. The club guest policy is that any one who hasn't been to the present range gets one lifetime shooting guest visit. Anyone can be a guest for a non shooting visit.
2. Any member of RCR&P Club shall be held accountable for any conduct by himself or any guests accompanying him considered to be injurious to the organization or its purposes and objectives.
3. Must wear a guest club ID card during his visit
4. Guests should be under the immediate supervision of the host club member at all times
5. We encourage you to bring your immediate family (spouses and underage children) to the range, but can use the range only under your direct supervision.
6. Host club member is responsible for all actions of his guests and non member family.

July 2005 Outdoor range hours are changed to sunrise to sunset **except for Sundays and holidays which will be 8AM till sunset.**

- Dec 2004 -The range will have a firing line available for shooting 300 yards. Use of this firing point mandates that all other firing lines and the Park must be closed and vacated. In order to prevent confusion as to when this firing point may be used the following policies are to be followed.
1. The 300 yard line may be used any time the range has no other activity going on and the following rules are observed.
 2. The 300 yard line is not to be used or have any firearms uncased there if anyone is on any of the other firing line or in the Park.
 3. The 300 yard warning gate is to remain open if anyone is east of the gate. This would include all firing lines (excluding the 300), target areas, maintenance activities or use of the Park.
 4. The 300 yard warning gate must be closed when the 300 yard line is being used. No one may go beyond the warning gate until the 300 yard line is closed and all firearms removed from the 300 yard firing line. These firearms are to be cased or moved to the common firing line.
 5. During scheduled events and Wednesday nights, the 300 yard firing line will have priority over all other activities on the range. Use of the 300 yard line will be controlled by the event coordinator during these scheduled events.
 6. All other times, any other range activity will have priority over the 300 yard firing line. If the 300 yard firing line is in use at a time other than scheduled events or Wednesday nights, all users of the range must communicate their intentions and the 300 yard users must discontinue use of the 300 yard line. No one may proceed beyond the warning gate until all firearms removed from the 300 yard firing line and either cased or moved to the common firing line.

*Shooters familiar with high power rifle shooting are allowed to have target pullers in the pits while the line is hot and people are shooting. This does bring up a different set of policies for the safety of the pit pullers.

Nov 2002 -All members of the River City Rifle & Pistol Club and all non-member event coordinators must attend an annual briefing on the Club's policies and procedures. These policies and procedures are contained in the Club's Standard Operating Procedures (S.O.P.) booklet and are to be reviewed and updated at least annually by the Board of Directors.

Dec 1999 -Registered events are to turn in a financial report

Aug 1999 -The scheduled Match has priority over the entire range and any other activity must be approved by the Match Director. (personnel in charge of the match) - From now on any complaint should be in writing and sent to the president or secretary. A directors meeting would be called and all involved would be brought together. The Directors would make a decision based on the information presented.

Sept 1998 - We will also define RANGE CLOSED this does not mean no observers or maintenance work behind the firing line. Use common courtesy and do not interfere with the shooters. NO SHOOTING other than the scheduled event.

Aug 1994 -Club member is fully responsible for guests and pets brought to range.

July 1994 - Range closed and no shooting during mowing

RELEASE, INDEMNIFICATION AND HOLDHARMLESS AGREEMENT

In consideration of participating in gun club activities, and for other good and valuable consideration, I hereby agree to release and discharge from liability arising from negligence River City Rifle & Pistol Club and its directors, officers employees, agents, volunteers, participants, and all other persons or entities acting for them (hereinafter collectively referred to as "Releasees"), on behalf of myself and my children, parents, heirs, assigns, personal representative and estate, and also agree as follows:

- 1. I acknowledge that gun club or hunting activities involve known and unanticipated risks which could result in physical or emotional injury, paralysis or permanent disability, death, and property damage. Risks include, but are not limited to, death or serious injury as a result of being shot or as a result of equipment malfunction; hearing loss; loss of vision; broken bones, bruises and other bodily injuries caused by falls; medical conditions resulting from physical activity, and damaged clothing or other property. I understand such risks simply cannot be eliminated, despite the use of safety equipment, without jeopardizing the essential qualities of the activity.
2. This activity or that might have been caused by the negligence of the Releasees. My participation in this activity is purely voluntary and I elect to participate despite the risks. In addition, if at any time I believe that event conditions are unsafe or that I am unable to participate due to physical or medical conditions, then I will immediately discontinue participation.
3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless Releasees from any and all claims, demands, or causes of action which are in any way connected with my participation in this activity, or my use of their equipment or facilities, arising from negligence. This release does not apply to claims arising from intentional conduct. Should Releasees or anyone acting on their behalf be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.
4. I represent that I have adequate insurance to cover any injury or damage I may suffer or cause while participating in this activity, or else I agree to bear the costs of such injury or damage myself. I further represent that I have no medical or physical condition which could interfere with my safety in this activity, or else I am willing to assume — and bear the costs of— all risks that may be created, directly or indirectly, by any such condition.
5. In the event that I file a lawsuit, I agree to do so solely in the state where Releasees' facility is located, and I further agree that the substantive law of that state shall apply.
6. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I agree that if I am hurt or my property is damaged during my participation in this activity, then I may be found by a court of law to have waived my right to maintain a lawsuit against the parties being released on the basis of any claim for negligence.

I have had sufficient time to read this entire document and, should I choose to do so, consult with legal counsel prior to signing. Also, I understand that this activity might not be made available to me or that the cost to engage in this activity would be significantly greater if I were to choose not to sign this release, and agree that the opportunity to participate at the stated cost in return for the execution of this release is a reasonable bargain. I have read and understood this document and I agree to be bound by its terms.
