

Eleven compete in August 2008 CMP Sporter Match. New range record set.

Four juniors and seven adults competed in the CMP Sporter Match held August 17 at River City Rifle & Pistol Club. The weather was perfect with mild temperature, sunny skies and little to no wind. This is the last CMP Sporter Match scheduled for 2008. A new range record was set and several personal bests were achieved. It was a beautiful 80 degree partly cloudy day. There was a steady, slightly quartering tailwind.

The CMP Sporter Match is designed to be a fun match using common hunting style 22's. Competition is divided by sight type into O class for open sights like V notch and T class for scopes and peep sights. Just as in real hunting, no alibis or re-shoots are allowed for malfunctions.

A special thank you to Kris Laubenthal for being the line officer.
